

LibriVox 5th Anniversary Collection

by Various

What do you do for a fifth anniversary? We decided to have a collection of short works with a difference. We challenged our readers to find any short works which had 'five' in the title – in any language. They have done us proud, and the collection extends to three volumes of 55 short stories, poems, fairy tales, memoirs, non-fiction and bible readings, in six languages.

This recording is in the public domain and may be reproduced, distributed, or modified without permission. For more information or to volunteer visit librivox.org.
